

# Hidden Geographies International Conference Ljubljana, 29-31 August 2019

## FORMS OF PARTICIPATION - TECHNICAL ISSUES

### ORAL PRESENTATION

Oral presentations will be grouped into thematic sessions. Each session room will have an LCD projector.

### POSTER PRESENTATION

- Posters presentation is limited to one poster fitting the size of a poster board 100 cm x 70 cm (height x width, vertical/portrait format).
- A special session within the conference programme will be dedicated to the presentations of the posters.
- Authors are invited to digitally share posters (e.g. in pdf, ppt) online at the time of the conference.

### WORKSHOP

- Maximum duration of a workshop can be 1,5h (the duration of a single section in the programme), may be shorter.
- The shorter workshops may be carried out also during the special time dedicated to the poster presentations.
- Any specific requirements (e.g. if a LCD projector is needed or participants need smartphones etc.) and limitations (e.g. limited number of participants, duration) or similar have to be clearly explained in the registration form.

### EXHIBITION

- Basic exhibition fee covers a table and a poster board 100 cm x 70 cm (height x width, vertical / portrait format), and a conference fee for one exhibitor.
- The exhibition area will be covered with WiFi, electric cords will be provided at the exhibition stands (bringing your own power strip/distributor may be a good idea).
